

TERMS OF USE

Welcome to the Super Floral website at www.superfloral.co.za ("Website").

Please take a moment to read through these terms and conditions, including our policies (collectively the "terms"), to understand how they apply to your use of our Website and any products or services that we advertised thereupon.

Please read these terms and conditions carefully, and ensure you understand them and their interpretations.

Use of, and/or registration on any aspect of the Website will constitute your agreement to comply with these terms and conditions.

PRODUCT IMAGES AND REPRESENTATION

We have made every effort to display the products on the website as accurately as possible, including:

- the images that represent a visual depiction of the product
- features and descriptions that pertain to the product

The actual product delivered may be subject to variations in appearance, as product packaging may differ over time. It remains the responsibility of the customer to ensure that the product ordered and purchased is correct.

A product description and/or item number will always overrule any related images when resolving a dispute about a product. As the actual colours you see will depend on your computer's monitor, we cannot guarantee that your monitor's display of any colour will be accurate.

OBVIOUS ERRORS

We regret that no order or purchase will be accepted, if we identify an inadvertent and obvious error in the prices of products or services, or the description of any of our products or services, as advertised and displayed on the Website.

SPECIALS

Super Floral Distribution reserves the right to withhold any additional discount/s, on specials or promotions, as advertised on the website or via our media services.
